#### When I Grow Up Recital!:

This year's theme, "When I Grow Up," was more than just a title- it was a beautiful reminder of the dreams, imagination, and an endless possibilities that live inside of each of you. Watching you bring those dreams to life through dance was truly unforgettable!

A huge thank you to all the parent volunteers- without you, our show wouldn't have run as smoothly as it did. We truly appreciate your time, support, and dedication.

**Communication:** This will be our last newsletter of our 22<sup>nd</sup> season! We had an amazing year and we are so glad you were a part of our season! After this email, only dancers that have pre-registered or enrolled in current classes will continue to receive communication from us.

**Recital DVDs and Flash Drives are now here!** Come on by during our office hours to pick yours up! (Unfortunately, the Blue-rays have not yet arrived. We will email you as soon they are here.)
